Green- Unit owners have assigned parking space from May1,2012-April 30,2013

Yellow-Unit owners have assigned parking space from May 1, 2013-April 30,2014

Unit owners may share only the designated space assigned to each unit. The Unit having priority for the boat parking space is color coded above. If the priority Unit owner is not using the space, the other Unit owner may use the assigned boat parking space provided they have the priority Unit's consent. If a trailer is parked in any other space but the assigned space, it is deemed "unauthorized"

Renters' may only use the Unit owners assigned boat parking space and it must be that Units assigned parking term

Boat Trailers will only be allowed to park in these identified assigned parking spaces. Any "unauthorized" parking will cause trailer to be towed and/or Unit Owner fined at the Harbor Cove Board's Discretion

All permanent Boat Trailers will still be required to have a Harbor Cove Permit Sticker to be obtained thru Meyer Association Management. If trailer is temporary or new, then the Owner shall identify the trailer with their appropriate Unit number.

Jet ski's and Jet ski trailers are considered boat trailers and are to follow rules as stated above.

Multiple trailers will be allowed in one parking space provided they are permitted/assigned for the space and they do not take up more space than the assigned parking area.

Parking spaces will be numbered for ease of identification
